

BITTERROOT RESOURCES LTD.

TSX-V: BTT

August 27, 2026
CORPORATE PRESENTATION

Nickel/Copper in Michigan

DISCLAIMER

This presentation (the “Presentation”) has been prepared by Bitterroot Resources Ltd. (the “Company”) solely for information purposes.

The information contained in this Presentation does not constitute or form part of, and should not be construed as, an offer or invitation to subscribe for or purchase the securities discussed herein in any jurisdiction. Neither this Presentation nor any part of it shall form the basis of, or be relied upon in connection with any offer, or act as an inducement to enter into any contract or commitment whatsoever. No representation or warranty is given, express or implied, as to the accuracy of the information contained in this Presentation.

This Presentation contains certain forward-looking statements relating to the business, financial performance and results of the Company and/or the industry in which it operates. Forward-looking statements concern future circumstances and results and other statements that are not historical facts. The forward-looking statements, contained in this Presentation, including assumptions, opinions and views of the Company or cited from third party sources are solely opinions and forecasts which are uncertain and subject to risks. A multitude of factors can cause actual events to differ significantly from any anticipated development. Neither the Company nor any such person’s, officers or employees guarantee that the assumptions underlying such forward-looking statements are free from errors and omissions nor do any of them accept any responsibility for the future accuracy of the opinions expressed in this Presentation or the actual occurrence of the forecasted developments.

The information contained herein has been prepared to assist the Recipients in making their own evaluation on the Company and does not purport to contain all information that they may desire. In all cases, the Recipients should conduct their own investigation and analysis of the Company, its business, prospects, results of operations and financial condition as well as any other information the Recipients may deem relevant. The Company does not make any representation or warranty, express or implied, as to the accuracy or completeness of this Presentation or of the information contained herein and shall have no liability for the information contained in, or any omissions from, this Presentation, nor for any of the written, electronic or oral communications transmitted to the Recipients (including without limitation its directors, employees, representatives and advisors).

Neither the receipt of this Presentation by any Recipients, nor any information contained herein or supplied herewith or subsequently communicated in written, electronic or oral form to any person in connection with the contemplated issue of shares in the Company constitutes, or shall be relied upon as constituting, the giving of investment advice to any such person. Each person should make their own independent assessment of the merits of investing in the Company and should consult their own professional advisors. By receiving this Presentation, you acknowledge and agree that you will be solely responsible for your own assessment of the market and the market position of the Company and that you will conduct your own analysis and are solely responsible for forming your own opinion of the potential future performance of the Company’s business.

Mr. Jeff Rowe, P.Geo, is the Qualified Person responsible for the technical content in this presentation pertaining to the LM Nickel Project.
